

Freading on Mobile Devices

Freading for a mobile device requires the downloading of the **Freading app**. Go to the app store, type in “**Freading**” and follow the prompts for installation (note: Kindle Fire has more specific requirements, please ask for instructions)

If you do not have an **Adobe ID**, you will need to create one

Login, and begin your search

The library allows 9 downloads a week.

At the top left there is a drop down menu icon which lists **Top Downloads, New Arrivals, Categories and FAQ's**.

The search box allows you to search for a title or author

When you see a title you are interested in, tap on the title for a description of the book. Tap to **Download EPUB**.

Downloaded titles can be found in **Library**

The initial loan period is 2 weeks. You can extend the load period for one 2 week period by going back to the book display on the website and hitting the download button again. You will see that the token value has decreased since the initial loan.

To return a book early, tap on the book cover, tap on **Info** on the red menu bar and tap on **Return Item**
